Revision of travelling allowance concessions for Nursing Sisters recruited in future for the Bowring and Lady Curzon Hospitals, Bangalore.

The Nursing Sisters recruited for the Bowring and Lady Curzon Hospitals, Bangalore, are specially classified as officers of the 1st grade for the purpose of travelling allowance irrespective of pay drawn by them and are allowed a single first class fare under the terms of their agreements. The special concessions in the matter of travelling allowance are now under review and the Crown Representative is desirous that the principle that an officer's pay alone should determine his grading for travelling allowance should be enforced. The Nursing Sisters in question are in receipt of pay of Rs.140-10/2-180 per mensem and ordinarily they fall under the category of 3rd grade officers for the purpose of travelling allowance. As however women in Government service are accorded special treatment in this respect, it is proposed that the Nursing Sisters in question should be specially classified as officers of the 2nd grade and not as 1st grade as hitherto. They will however be permitted to avail themselves of any concession allowed by Indian railways. This will not affect the existing incumbents who will continue to draw single first class fares under the terms of their agreements.

Subject :—
Proposed Travelling Allowance to Nursing Sisters.

SIR,

SN-5 SF.5

I have the honour to acknowledge the receipt of your endorsement No.R.Dis.F.518-39/G & A. dated the 31st of August 1939 forwarding a memorandum from the Secretary to His Excellency the Crown Representative, and to give hereunder my views thereon:

SN-3 (E) P. 18-13

The proposed reduction is the 3rd within recent years. Up to 1934 this personnel were allowed double 1st-class when travelling in India and a free 1st-class 'D' Passage to and from the United Kingdom. The latter was recently reduced to 2nd-Class'A' for new entrants and the former to single 1st-class fare. It is now proposed to classify them as 2nd-class travelling officers. Under the regulations it is assumed that in conformance with the Fundamental Rules this classification will entitle a Nursing Sister to 1½ 2nd class fares. If it be certified that she is a nurse in active practice she will obtain 1st-class accommodation for 2nd class fare on Indian Railways, and the remaining half fare is presumably intended to cover incidental expenses.

SN 1 (B) P. 776-35

S.F. 3.6

This cannot be described as generous; and I am still of opinion that the Nursing Sisters should

should continue to receive as at present single 1st-class fares, which with the Railway concession does in fact cover their travelling expenses. On the other hand, if the proposal is to grant them one single 2nd-class fare, this is inadequate, and nothing less than 1½ 2nd-class fares should be sanctioned.

It is noteworthy that the sisters in question are not touring officers and their travelling is restricted to joining appointments and proceeding on leave, and the saving by the proposed economy is therefore, it would appear, trivial

I have the honour to be,

Sir

Your most obedient servant,

Lt.-Col., I.M.S.
Residency Surgeon.

2. The Crown Representative is pleased to decide that the Nursing Sisters on receipt of pay of Rs.140-10/2-180 per mensem who may be recruited for the Bowring and Lady Curzon Hospitals, Bangalore, will be classified as belonging to the second grade for the purpose of travelling allowance with reference to Supplementary Rule 18. They will accordingly receive 1½ second class Railway fares and will be permitted in addition to avail themselves of any concession allowed by Indian Railways. This will not affect the existing incumbents who will continue to draw single first class fares under the terms of their agreements.

Proposals for the amendment of Article 11 of the Agreement may kindly be submitted in due course

3. The Nursing Superintendent and the Tutor Sister will continue to receive single 1st class Railway fares and travel 1st class on payment of half fare under the concession allowed by Indian Railways.
